

Attachment to the Order of

The Lessee declares that:

Variant 1 (*)

The Lessee declares that as part of his business activity, he has insurance cover for the rented property under the Civil Liability Insurance, including compensation coverage for the period of renting machines under a separate sum insured, without deductible and in the full scope of the Lessee's civil liability. The insurer's liability under the insurance contract covers damage to third party movables used by the Lessee on the basis of a lease, rental or other similar legal relationship.

Simultaneously, the Lessee hereby authorizes the Lessor to take all actions before the Insurer related to the liquidation of the damage and collection of the compensation amount.

Insurer:

Policy number:

The Lessee undertakes to cover the damage not covered by the insurance policy.

Variant 2 (*)

The Lessee declares that he does not have the Civil Liability Insurance for the machines he uses on the basis of a lease, lease or similar agreement, and therefore undertakes to pay an additional fee, separately from the rental fee, for compensation protection in the amount of 7% of the rental rate payable for each month of using the machine.

The Lessor also declares that the Lessee is free in relation to the Lessor from any obligations for damage caused to the rented machine and the effects, excluding damage and effects resulting from the Lessee's actions due to willful misconduct and consisting in: misappropriation of property, theft, lack of rights or act criminal in the form of a crime or misdemeanor punishable by penalties under the Penal Code or actions of third parties for which it is not responsible. Damages to the rented machine below PLN 3,000 are excluded from the compensation protection, which the Lessee undertakes to cover at his own expense based on the repair cost estimate prepared by the Lessor.
